PARKVILLE FESTIVAL RAISES FUNDS FOR PARK

(October 7, 2009--Parkville, MO) Members of Parkville's City Council rally along with civic leaders and area residents this Saturday, October 10, 3p-9p, in English Landing Park for the first annual Parktoberfest. All revenue generated through Parktoberfest goes directly toward a ten year parks improvement master plan.

Food, a beer garden, live music, and games are part of the fundraising celebration. Wines will be paired with foods by various participating restaurants including Cafe Des Amis; Piropo's; Agave; Cafe Cedar; and Stone Canyon. The beer garden features beers by Blue Moon and Boulevard. Margaritas and mixed drinks will also be available.

Musical performances include classic rock by The Bob Harvey Band and a ZZ Top tribute band, Sharp Dressed Man. Activities include: Keg toss, keg bowling, Frisbee golf hole-in-one, and clocked soccer ball kicks. Raffle products and certificates have been donated by merchants in and around the metro to help raise additional funds.

An Architects rendering of phase one will be on display at the festival. The plan includes new bathrooms, a possible concession stand, garage space for equipment and an overall improved look for English Landing Park's main entrance.

Sponsors of Parktoberfest include Star 102; The Pitch; Parkville Luminary; and Miller's Landscape and Lawn Care. Parktoberfest is a grass-roots festival, staffed by volunteers interested in helping the city of Parkville continue to be a pleasant destination for both residents and visitors.
